II. Introduction of Members and Staff

An introduction was made of the new SAC members and the Department staff.

III. Declaration of Conflicts of Interests

Ms. Rogers provided a brief overview of the definition of a conflict of interest.

IV. Review of Agenda

Motion by Chairperson Joseph, seconded by Vice-Chairperson White, to accept the agenda as presented. Motion Carried.

V. Review/Discussion of Charge

Chairperson Joseph reviewed each item of the charge. There was a brief discussion on each item by the Committee Members. Mr. Nash explained the difficulty in obtaining PCI data from Cardiac Catheterization programs performing primary PCI without on-site open heart surgery services. He explained further that there may be a disconnect between the Emergency Department and the Cardiac Catheterization laboratory.

VI. Next Steps

Vice-Chairperson White provided an overview of the proposed Work Plan (Attachment A) that Chairperson Joseph and she had prepared. Chairperson Joseph has requested that the Department provide more data for the Committee to review, i.e., PCI data for the last two years and listing of health service areas with population data. In addition, she requested that the Committee Members themselves do some research, i.e., review the 2005 ACC Guidelines and review any new and emerging technology that may have an impact on the review standards, so that at the next meeting they can get the process going.

Motion by Mr. Bock, seconded by Ms. Van Donselaar, to approve the Work Plan. Motion Carried.
